If you will turn so that you can look Q. at the first page of 95 and the second page of 96, do you see a difference between the two logos in the upper left-hand column of MMU 15780 and MMU 15849? Yes, there is. Α. Isn't it true that in the upper left 0. of MMU 15781 there is no triangle logo? Α. Based on this copy, that is correct. And then looking at the upper left of Ο. MMU 15849, I know it is not a great copy, but do you see an R in a circle next to the winged M on that triangle? Α. Yes. Is that true that Miyano Machinery USA has a registered trademark that is identical to the one depicted here? I believe that both symbols are Α. registered. When you say both, do you mean -- I am only referring to 15849. What do you mean by both? Α. I believe that both symbols are registered.
